How to get your clothes washer rebate

1. Purchase a new, high efficiency clothes washer between January 1, 2009 – December 31, 2009 or until rebate program funds are depleted. **Check smud.org for updated program funding availability and the CEE Clothes Washer Qualifying Product List (Tier 2 – water factor 6.0 and Tier 3 – water factor 4.5) for eligible clothes washers (www.cee1.org).**
2. Purchase must be installed at a site served by one of the participating water service providers*:
 - California American Water
 - Citrus Heights Water District
 - City of Folsom
 - City of Sacramento**
 - Golden State Water Company
 - Orange Vale Water Company
 - Sacramento Suburban Water District
 - San Juan Water District
3. Submit a completed rebate application form, within 30 days of installing your clothes washer via mail to the SMUD address on the application. You need to submit the following items:
 - (1) Completed application form
 - (2) Copy of water service bill (past 6 months)
 - (3) Copy of purchase receipt dated after January 1, 2009.
4. Submitting a signed application represents agreement to have your water service provider verify installation of the clothes washer, with your accompaniment. Your water service provider (or their representative) may schedule an inspection.
5. Rebate varies from \$50 to \$100 by participating water service provider for residential and multi-family (including mobile home, condos, etc.) customers only.
6. SMUD will issue rebate checks within six to ten weeks of receipt of your completed application materials.
7. The water service providers or their representatives are required to send IRS form 1099 to the customer and the IRS when rebates total \$600 or more.

Qualifications

1. Applicants must be current SMUD customers to be eligible for the water service provider rebate.
2. Purchase of material must occur within the program period of January 1, 2009 – December 31, 2009 (or until each water service provider program funds are depleted). The number of rebates is dependent upon the availability of program funds. Check the web site www.smud.org or call SMUD at 1-888-742-SMUD to see if funds are currently available.
3. The location of installation must be served by one of the water service providers listed on the application.
4. Residential and multi-family residents or property owner applicants are eligible with water service provider bill provided as proof of address for site of installation.

5. Customer is eligible for receiving only one clothes washer rebate per address per calendar year.

Clothes Washer installation and disposal

You are responsible for both the installation of new and disposal of your old clothes washer. Costs associated with either the disposal or installation are not eligible for reimbursement.

Permitting

Building permits are not required when a customer simply removes and installs a clothes washer on existing plumbing.

Disclaimer

Your water service provider, Regional Water Authority (RWA), and Sacramento Municipal Utility District (SMUD) reserve the right to deny an application of any participant who does not meet all requirements as outlined. The RWA, SMUD, and the water service providers reserve the right to change the terms of this program at their discretion. Your water service provider, RWA, and SMUD are not responsible for receipts or paperwork lost in the U.S. mail. Participating water service providers, RWA and SMUD cannot guarantee that the installation of the clothes washer will result in lower water utility costs. The number of rebates is dependent upon the availability of program funds. Applications will be processed, when all required information is provided by the applicant; on a first-come, first-served basis.

Electric water heating customers may not apply for SMUD rebates using this rebate application form. Gas water heating customers may not apply for Pacific Gas and Electric rebates using this rebate application form. Electric water heating customers may apply directly to SMUD (their application may be mailed in the same envelope addressed to SMUD with this water service provider application). Check www.smud.org for details. You may not apply for Pacific Gas and Electric gas water heating customer rebates using this rebate application. You may apply directly to Pacific Gas and Electric. Check www.pge.com for details.

Eligibility for other incentive programs

You may review the Regional Water Authority's web site for the contact information for your local water provider's water conservation coordinator at www.rwah2o.org. Please inquire directly to your water service provider regarding opportunities for free services such as a "Water Wise House Call" or information on how to become even more water efficient.
