

Smart Irrigation Controller Rebate Participating Installers

Installers on this list have participated in a RWA-sponsored training workshop, are licensed by the State of California, and are familiar with the Smart Irrigation Controller Rebate program. By including a contractor on this list, however, RWA and its member agencies do not recommend or endorse any particular listed contractor. (See full disclaimer below)

Disclaimer of Endorsement and Responsibility: The listing herein of contractors is for purposes of information and reference only and does not constitute or imply an endorsement of or recommendation by the Regional Water Authority or its member agencies of any such contractors. At the time of publication, all listed contractors were licensed and in good standing with the California Contractors State License Board. The fact that another contractor is not listed herein does not imply any opinion or judgment by RWA or its member agencies concerning the qualifications or competency of any such unlisted contractor. The information on this list is accurate only as of the date it was prepared, and after the date of publication, RWA and its member agencies disclaim any responsibility to monitor and update the list or the current licensing or legal status of any listed contractor. Any person using this list does so at his or her own risk and is solely responsible to conduct his or her own inquiries in order to determine the licensing status, qualifications and competency of any contractor hired. RWA and its member agencies reserve the right without any liability to withdraw this list, or to add or delete contractors from this list at any time.
